396CV-PS Stikstall Shower French Doors

The Alumax 396CV-PS Custom Stikstall French Door Enclosure offers a semi-frameless look and style at a very affordable price. This enclosure works well as an accessible shower entrance. Curb can be eliminated for a totally accessible entry.

Features include 1/4" glass in the doors, two 6" back to back formed metal handles, top magnetic latch, polycarbonate strike and a clear vinyl drip rail, all of which add an upscale look to the bath environment.

The 396CV-PS Stikstall French Door Enclosure is available in brite silver, satin silver and brushed nickel anodized finishes, as well as an array of powder paint colors including oil rubbed bronze.
